# Sweeps with model change(updated Resnet)

Yigit Sarioglu

▾ Section 1

ⓘ

Selected runs are not logging media for the key **test_loss**, but instead are logging values of type **string**.

If **test_loss** is never supposed to be a media type, please delete this panel and create the proper panel type manually.
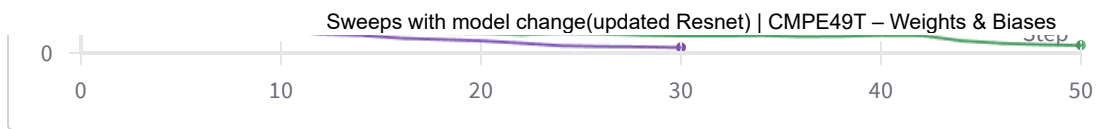

(i)

Selected runs are not logging media for the key **test_acc**, but instead are logging values of type **string**.
If **test_acc** is never supposed to be a media type, please delete this panel and create the proper panel type manually.

val_loss

— efficient-sweep-5   — chocolate-sweep-4   — expert-sweep-3   — silvery-sweep-2
— quiet-sweep-1

train_loss

— efficient-sweep-5   — chocolate-sweep-4   — expert-sweep-3   — silvery-sweep-2
— quiet-sweep-1
